U.S. Utility Patent Application S.N. 10/825,276

Title: SELF-VENTING MICROWAVE COOKING CONTAINER FOR USE WITH A
VERTICAL FILL AUTOMATED MACHINE

Inventor(s): Hopkins

Filed: April 13, 2004

Group Art Unit: Not yet assigned

Examiner: Not yet assigned

Attorney Docket No.: ST288/OST12-U

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as first class mail in an envelope addressed to: Mail Stop PETITION, Commissioner for Patents, Alexandria, Virginia 22313-1450, on May 13, 2004.

PETITION PURSUANT TO 37 CFR §1.10(d)

Commissioner for Patents
Alexandria, Virginia 22313-1450

Sir:

Applicant hereby petitions that the above referenced patent application be assigned a filing date different than the date-in stamped on the return postcard. The self-addressed return

postcard, returned to this office upon receipt of the referenced application at the PTO, shows a filing date of April 15, 2004 as evidenced on the copy of the postcard attached to this Petition as Attachment A.

Applicant, through his attorney, filed the referenced application via Express Mail under 37 C.F.R. §1.10 on April 13, 2004 by depositing the application in a proper Express Mail receptacle before the specified pickup time shown. Included in the application package was a Certificate of Express Mailing, showing the Express Mail label number EV 290542762 US, and a mailing date of April 13, 2004. A true copy of this Certificate of Express Mailing is attached to this Petition as Attachment B.

Upon this office's receipt of the return postcard showing the date-in at the PTO as April 15, 2004, we contacted the United States Postal Service to inquire about the delay in processing the package. The USPS, through their Customer Service Representative at the Postal Business Center, was unable to explain the discrepancy.

As shown by the following Attachments, the procedures for filing this application clearly comply with 37 C.F.R. §1.10 with respect to obtaining a "date in" filing date. Due to an apparent error by the USPS, the "date in" on the Express Mail receipt was not the date the application was properly deposited by Express Mail and consequently, the "date in" shown on the return postcard does not truly reflect the actual filing date.

Applicant requests that the "date in" be changed to reflect the date the application was duly deposited, namely, **April 13, 2004** as set forth in 37 C.F.R. §1.10.

Additionally, Applicants request that all pertinent USPTO records relating to the instant Application be changed to reflect the correct filing date.

No fee is required for this Petition.

Respectfully submitted,

David W. Nagle, Jr.
